WILLIAM BENTON
PUBLISHER & CHAIRMAN

September 21, 1959

10/22.

Handled in person.

The Honorable
Allen W. Dulles
Director
Central Intelligence Agency
Washington 25, D.C.

Dear Allen:

Many thanks for your letter of September 12th. And I am grateful for your continuing knowledge of my desire to visit China.

Yes, I shall of course be greatly interested in any comments Ambassador Beam or Assistant Secretary Parsons may make - though I continue to be hesitant about invading your crowded schedule.

And please know how much I continue to admire you for the remarkable job you are performing as one of our top public servants.

Sincerely,

William Benton
